**Mrs.Radhika K and Dr A.P.Rao PhD ( Astrology) PhD (IIT)**

Till 2019-05-06

There may be a severe and explosive difference in the administration which may spread between the two political parties leading to bitter allegations and arguments. That may escalate to a greater depth and for a long time simmering with occasional fire erupting. Naturally the finances and markets will be bad .

From 2019-05-06 - 2019-05-11

There may bitter differences between partners with in the country and outside the country – especially at key decision making level. This may have a semi long term effect in important decision making roles and daily routine administration level. This will be the effect of major cracks in administration.

From 2019-05-11 - 2019-05-13

Added to the existing problems there may be manmade problems and natural disasters and these will deepen the differences and getting relief to the suffering general public. All bad things join together and amplify the problems. The finances will be down including markets and exchange value.

From 2019-05-13 - 2019-05-19

This is one of the best part of the month with IT and finances recovering and boosting the economy and markets. Many industries like body care , IT , Tourism

hospitality industries will recover and will make good profits. These will make the markets rise and be bullish.

From 2019-05-19 - 2019-05-21

The administration and the law making bodies will reconcile and make the differences reduced if not eliminated totally. This make the government strong both internally and externally. The dollar value and industrial profuction will alos boost the economy. Stock markets will gain along with exchange value.

From 2019-05-21 - 2019-05-24

This a mixed period with some sectors contributing very well while others continue to dreg the economy. Hospitality industries medical fields pharmaceuticals will gain and make the financial indicies stable if not rising.

From 2019-05-24 - 2019-05-26

The defence industries will take a hit and some important deals may be lost due to dragging of feet in key negotiations. Also there may ve scandals related to defence and intelligence, Any how that will be an isolated incidents which may not affect other sectors.

From 2019-05-26 - 2019-05-31

Foreign relationships will be a key factor where sensitivity to others needs have to be taken into consideration while negotiating important deals. Some long pending deals may be agreed so that some tensions between key important nations may be solved to the satisfaction of many.
