Health of father may be slightly delicate. Change of residence is likely for some. There may be attitude difference with your child. Ailments related to private parts, pain in shoulder, cholesterol and high blood sugar levels may cause inconvenience. There may be differences of opinion with relatives.

Vrischika Rasi (Scorpio): Vishaka 4 Anuradha; Jyeshta

February is overall a good period. Finances look very good. At work you will have the upper hand. It is better not to get into serious discussions with higherups. You tend to carry work stress to home during the second half of the month. At work female higher-ups will be very supportive. Foreign stay and travel related issues will be cleared. Any pending legal matters will be heard in your favour. You will join art related courses. Students will excel in studies. Those in fine arts, architecture and fashion designing fields will get good recognition. Your child achievements will make you proud. Couple planning for kids will be blessed. You will get good news from maternal side relatives. Business will be profitable. Your plans of expanding the business will be fulfilled this month.

Dhanus Rasi (Saggitarius): Moola; Purvashada: Uttarashada 1

February is all round prosperous period. Investments will be profitable. You will gain name and fame at work place. Constant work will keep you on foot most of the time. You will enjoy the sudden importance. Siblings will visit you. You will purchase items of

comfort for house. Some of you will purchase an asset. This month you will enjoy all the material comforts. You will show keen interest in spiritual matters. Growth in spouse career is also likely. You tend to gain weight. You tend to take sudden risky decisions. During the first half of the month you need to double careful with your speech. Those planning will be blessed with a child. This is a very favorable period for students of all fields. You will excel and may even get seats in competitive institutions. Those in theatre/Media, fine arts, acting profession will be in the limelight. Business will be good during the second half of the month. Unmarried will tie the knot during the second half of the month. Heat boils, low energies, ENT ailments will cause inconvenience.

Makara Rasi(Capricorn): Uttarashada 2,3 &4;Sravana; Dhanista 1 & 2

February is financially prosperous period. It is a dynamic and progressive period in career. Your subject knowledge and networking skills will keep you on the top ladder. All this may bring in ego hassles and attitude issues. In the process you may develop more resentment among colleagues and relatives. Purchase and sale of property will be profitable. You will receive good news from your sister. Your child will make you proud. Students of architecture, bio sciences, IT and finance will do well at studies. There may be differences of opinion with friends on financial matters. Those with existing relationship will tie the knot. Investments in stocks may not be very favorable during this month. An influential person will be of great help during the second half of the month. Business will prosper. But, this is not a favourable period for those in family business. Low energies, fever, vertigo and pain in the foot may cause inconvenience.

Kumbha Rasi (Aquarius): Dhanista 3 & 4; Shatabhisha; Purvabhadra 1, 2 &3

February starts on slow and relaxed mode. Initially you tend to postpone works on hand but slowly you will come back to normalcy. There will be financial prosperity. This is a favorable period for engineers, defense and law enforcing officers. You will find all the works on hand being completed very fast. Your strong attitude and sharp tongue may not be appreciated by the family and friends. Your child's success will make you happy. Those in fine arts, theatre and media will receive awards for their exemplary performance. Students will get good grades in exams and very good ranks in competitive exams. Some of you will get an opportunity to represent at inter school art and literary competitions. Love is in the air and you may start a new relationship. Senior citizens may have vision ailments and migraines. Diabetic and cardiac patients need to take extra care of health. Business will be good. Self employed will get good clients.

Meena Rasi(Pisces): Purvabhadra 4; Uttarabhadra: Revathi

February is a positive, prosperous and active month for Meena rasi natives. You will be brimming with new and creative ideas. You will be in good books of seniors and colleagues. You will gain name amongst your social circle. Friends and relatives equally seek your advice. This is a better month for finances. Those seeking to change a job will

get the opportunity. You will be guided by a spiritual teacher during this month. Your health requires care, as you tend to ignore it in all the happening around. Your child's success will make you happy. You tend to believe people easily and may open up your heart which may create problems towards month end. You will come out of any tricky situation with your charm. You will actively participate in spiritual activities. Students will get good ranks in competitive exams. But grades in the academics will drop due to lethargy. Unmarried will tie the knot. There may be differences of opinion with spouse during the first week of the month, later on situation will ease out. Inflammation in the foot, legs and lower back may cause severe inconvenience.
