

## **PREDICTIONS FOR THE MONTH OF APRIL, 2020**

### **(BASED ON MOON SIGN)**

**Dr.A.P.Rao and Mrs.Radhika Kothuri**

#### **Planetary Transits:**

Meene budha April 7<sup>th</sup>

Meshe Ravi April 13<sup>th</sup>

Meshe Budha April 25<sup>th</sup>

#### **Mesha Rasi (Aries): Aswini, Bharani and Krittika 1<sup>st</sup> pada**

The month will start at a slow pace. You will feel low in energy during the first half of the month. After the 13<sup>th</sup> you will suddenly become energetic but along with that strong ego and sharp speech may place you at a negative stand with colleagues and relatives. This is not a very favourable month for Editors, Chemists, and Media personnel. After the 13<sup>th</sup>, Politicians will see a positive turn of events. This is not a favourable month to change a job. Respiratory ailments, allergies, and fevers may cause inconvenience. Business will be slow during the first half then there will be improvement. Self employed will secure Government contracts. Domestic unhappiness may be there towards the third week of the month. Students may not get good scores in competitive exams.

#### **Vrishabha Rasi(Taurus): Krittika 2,3,4; Rohini; Mrigasira 1 & 2:**

April is a mixed period in general. Heavy work will keep you busy throughout the month. You may miss an important opportunity at work. There may be sudden change in travel plans especially on work. You will receive good news from paternal elders towards the month end. This is not a good period for investments. Students may receive lower grades due to overconfidence and their lethargic nature. Health of a child may also be delicate. Inflammation/sciatica pain, ENT, and skin ailments may cause inconvenience. Business will be neutral during the first half of the month and there will be slight improvement. Pharmaceutical, hemical, fertilizer/agricultural and printing/publishing businesses may see some downslide. Unmarried individuals will get a good marriage proposal. Advice to siblings may better be given sparingly.

#### **Mithuna Rasi(Gemini): Mrigasira 3, 4; Arudra; Punarvasu 1,2 and 3**

April is a mixed period for finances. Workplace situations may not be very conducive. You will carry workplace stress to home. There may be unexpected changes in projects that were given to handle at work. You need to be careful in all your written and verbal communications. At work, Accountants need to double check all the numbers as any minor mistake may prove to be costly in the long run. You will actively participate in religious activities. Second half of the month is favourable for Politicians. A very good period for students. You may get a seat in your choice of institute. Business will be neutral. Small scale businessmen and retailers will do better at business. There may be differences with siblings on family financial dealings. You will receive good news from paternal side relatives. Vision, respiratory and skin may cause inconvenience. There may be differences with spouses.

### **Karkataka Rasi(Cancer): Punarvasu 4; Pushya, Aslesha**

April is a financially positive period. Those working in Government organizations especially in Defense, intelligence, etc. will do well. Professionals will get good clientele. Business will be neutral. Those in the automobile, iron, leather, and gas businesses may face delays in getting new contracts and Government approvals. Investments will slightly be better towards the second half of the month when compared to the first half. Health of parents may be delicate during the first half of the month. Students may not do well at competitive exams. Unmarried people will get good proposals. Health of a spouse may be delicate. Pregnant ladies need to take extra care of health. Low back ache and lung infection may cause inconvenience.

### **Simha Rasi (Leo): Makha, Purvaphalguni(pubba), Uttaraphalguni 1:**

During April, the second half of the month will be more favourable. Those in financial business like bullion, profile management, and IT related areas will do well compared to other sectors. The second half of the month is better for work. This is a testing period in all your relationships, your strong speech may not be appreciated by immediate family members. Health of a spouse requires care. Union leaders and arbitrators may face hurdles and will have less support from higher ups. Health of father may be delicate. Those in family business may face differences with partners about financial matters. Small scale businessmen will do much better. Investments may best be avoided during this month. Students planning to study abroad will land with a very good opportunity during the third week of the month. Renal/stomach, pain in shoulders along with nasal allergies may cause inconvenience.

### **Kanya Rasi (Virgo): Uttaraphalguni 2, 3, 4; Hasta; Chitta 1,2:**

The month of April will start at a slow pace. You will feel lethargic and low at energies. Investments will show improvement during the second week. After the 13th, the work environment will suddenly become more dynamic and active. Those in Defense, intelligence, insurance and Horticulture sectors will be recognized for their hard work. At

work there will be support of female colleagues. Indigestion, heat blisters and nasal ailments may cause inconvenience. Students will get good grades. Friends will be very supportive. You will be given to anger easily resulting in differences with family members. There may be communication with your child. Business will start looking bright towards last week of the month. There may be repairs to asset/vehicle.

### **Tula Rasi(Libra): Chitta 3,4, Swati; Vishaka 1,2 & 3:**

April month starts on a low note. You will be in low spirits and slightly frustrated due to delay in work on hand and less cooperation from colleagues and higher ups. After the 13th, situations will improve and you will see progress in the work. Students continue to do well at academics. Pain in shoulders, constipation and lung infection cause inconvenience. Change in lifestyle and switching to natural healing methods will help you. There may be differences of opinion with spouse side relatives. Unmarried individuals will get good proposals near the third week of the month. This is not a favourable period to lend money to a friend, as chances of recovering them is little. Business will show progress after the 13th of the month. Self employed will land with Government contracts. There may be differences with close friends.

### **Vrischika Rasi (Scorpio): Vishaka 4 Anuradha; Jyeshtha**

You will be at your creative best during this month. Those in Government Embassy and related jobs will have to take sudden major decisions. At work you may have to handle heavy work and responsibility. Work related stress may start to show on your health. Politicians will get support from labour unions/work force. Students will not be able to do well at academics. But, may get better scores in competitive exams. Health of a child may be delicate. Investments may best be avoided. Older sibling health may be delicate. Success in legal matters might be present. Business will be neutral. Jewelry, textile and communication businessmen will do well. Unmarried individuals will get (a) good proposal(s). Spouse will be supportive. This is a good period for those practicing natural healing like yoga/meditation/healing etc. Health requires utmost care and it is in an individual's best interest to not ignore even a minor ailment and take doctor's advice. Nose and throat ailments may cause severe inconvenience.

### **Dhanus Rasi (Sagittarius): Moola; Purvashada: Uttarashada 1**

April will be slightly a testing period in all areas. At work there may be unexpected developments. Heavy work will make you irritable and slightly haughty. This will show in your speech. Finances will continue to be good. This is not a favourable period to sell your property. Business also will see heavy dip. Realtors, media, publishing, and chemical businessmen will see heavy dip. Throughout the month you may feel restless and sleep may evade you. Grades in the exams may not be as expected. Ranks in competitive exams will be very good. You may get selected to be part of a religious board. During the second half, your ego and strong speech may lead to differences with your spouse. Wheezing/lung

infection and pain in limbs may cause inconvenience. Those with chronic ailments like Diabetes and Arthritis need to take extra care of health.

### **Makara Rasi(Capricorn): Uttarashada 2,3 &4;Sravana; Dhanista 1 & 2**

Active phase at work continues. Heavy work will keep you busy and may show up on your health as well. Colleagues will be cooperative. It is better to avoid any serious discussions with higher ups during the first half of the month. Your every word may be misunderstood by friends and family. It is better to avoid any travel during this month. Health of parents may be delicate during the first half of the month. Students will do better after 14<sup>th</sup> of the month. Ranks in competitive exams may not be upto expectations. It is better to read twice before signing any important document. Loans will be sanctioned at higher interest rates. Younger siblings may approach you for help. Heat boils, ear, nose and throat ailments may cause inconvenience. Child progress will make you happy. Pregnant ladies need to take extra care of health. Business will see a dip during the first half of the month and may improve a little later on. There may be an attitude difference in married life. You tend to take sudden risky decisions which may prove costly in the long run.

### **Kumbha Rasi (Aquarius): Dhanista 3 & 4; Shatabhisha; Purvabhadra 1, 2 &3**

April is a mixed period. The second half of the month is comparatively better. At work it is better to double check all your written and verbal communication. Those in the Accounting and Finance fields need to be careful with their books. You tend to carry work related stress to home. Professionals will have a good period after the 13<sup>th</sup>. Those in family business will reap profits and will get new clients after the 13<sup>th</sup>. Unexpected heavy expenditure on people close to you will be present. Spouse health may be delicate during the first two weeks of the month. Students will do well at studies. Confidence levels will be better during the second half of the month. There may be a cash flow crunch during the first half of the month. Health of your child may be delicate. Skin rashes, pain in shoulders, nose and throat infections may cause inconvenience.

### **Meena Rasi(Pisces): Purvabhadra 4; Uttarabhadra: Revathi**

April is a very positive period at work. Any pending government work will be completed. Heavy work will keep you on your toes. You tend to carry work related stress to home, resulting in domestic restlessness. High confidence levels will keep you pushing to achieve higher goals. Second half of the month is a very favourable period for Government officials, Politicians, Teachers, and Engineers. You need to keep a check on what you say and your sudden remarks, especially at gatherings. You will be more disciplined and obstinate, which may bring differences with children and extended family members. You will take risky decisions in your business. It is better to postpone any major decisions to the last week of the month. An influential person/father figure will extend great help. You will actively participate in religious activities. Students will get good grades during the second half of the month. First half you will be more lethargic and will

postpone work on hand. Headaches, vision, teeth and nasal ailments may cause inconvenience. You will receive good news from your older sibling.
