Mesha Rasi (Aries): Aswini, Bharani and Krittika 1st pada

May is a financially prosperous period. There will be income from various sources. Profits through investments is also seen. Ego in your dealings may bring differences with family and friends. Your overconfidence and strong speech will bring issues with team members and higher officials. There will be profits from Investments. Your work atmosphere will be very active and competitive. You tend to carry work related stress to home. Students will do very well in competitive exams. Lethargic nature coupled with overconfidence will cause you to miss important opportunities such as internships and important jobs. The second and third weeks of the month are favorable times to purchase or sell a property. You may experience low energy and low grade fever may also be present during the second week of the month. Arthritic pain in the knee, vision, and tooth ailments will cause severe inconvenience. There may be attitude differences with spouse. Unmarried individuals may get good proposals. Business will continue to prosper. Self-employed will get good contracts. Those in business with government agencies will see steep improvement.

Vrishabha Rasi(Taurus): Krittika 2,3,4; Rohini; Mrigasira 1 & 2:

Finances continues to be good throughout the month inspite of increase in expenditure. At work, your seniors will be very supporting. You will get to be in charge of a new project of your liking. Individuals employed in creative fields like graphic designing, architecture, interior design, and media will get ample recognition and a promotion. For politicians, the first half of the month will be good. Investments will be erratic. You will receive good news from your sibling during the first week of the

month. After the 15th, sharp speech and amplified ego may place you in tricky situations amongst social groups. This ego may result in differences with your children as well. Minor mistakes in correspondence at work may lead to inquiries at work place. Married life will be good. Science students will get good ranks in competitive exams. Students currently in engineering, medicine, and telecommunication will get their desired jobs. Business will continue to do well. Some of you will try to enhance business and reinvest, if so it is better to do this during the second half of the month. Realtors will do well during the first half of the month. Stomach ailments, low energy, and headaches may cause inconvenience. You will become more philosophical and try to involve more religious related debates.

Mithuna Rasi(Gemini): Mrigasira 3, 4; Arudra; Punarvasu 1,2 and 3

May will give slight ups and downs in career. Finances will improve from the second week of the month. Investments will be profitable. There may be some concerns related your work atmosphere. Large work load and a delay in projects may cause stress. Progress in your child's life will make you happy. Businesses will see a slight slump. There may be differences with your partners which might cause you to part ways with them during the first week of the month. Consumer goods, agriculture, and manufacturing businesses will see a downtrend in business. Any pending government work will be cleared. Differences with paternal elders will be amicably resolved before the 15th. You will receive good news from a sibling. You will start to spend more on yourself and those who are close to you. Towards the last week of the month, you will start thinking about future saving avenues and which may cause you to over save and regret this decision later. Students appearing for competitive exams during the first half of the month will do very well. High blood pressure, cholesterol, and renal ailments may cause severe inconvenience. Spouse health also requires care.

Karkataka Rasi(Cancer): Punarvasu 4; Pushya, Aslesha

May is overall a good period. There will be growth in your career. You will have an impressive impression on your higher-ups. In spite of tough competition, you will win over your colleagues. Although you might have a heavy workload, you will feel respected and happy at your job. May is a favorable period for those in government services and in power. Professionals will get good clientele. Investment in government bonds and bullion will be profitable. Child health may be a concern during the second half of the month. There may be differences of opinion with partners in business. Those in banking and stock market related businesses will do very well. Your health and that of your spouse might require extra care. Arthritis, back ache, and renal ailments like anal fissures may cause inconvenience. Sports persons will get good opportunity to represent their team internationally. Artists will get a very good platform to showcase their talent. Students will get good ranks in competitive exams.

Simha Rasi (Leo): Makha, Purvaphalguni(pubba), Uttaraphalguni 1:
