June is a positive period in terms of finance. Your work environment will be slightly better compared to the previous month. Architects, graphic designers, media, and accounts personnel will do very well. During the first half of the month you need to be conscious of your speech. Investment in assets will bring profits. You will receive good news from your maternal side relatives. Students will start to procrastinate. The second half of the month is better for any competitive exams. Business will continue to be good. Realtors will do very well. Those that are self-employed will get good clientele. Unmarried people will get good marriage proposals. You will purchase costly items for family members. You will receive good news from sibling(s). Care is advised behind wheel and climbing heights. Pain in limbs, high blood pressure, and Indigestion will continue to cause an inconvenience.

Vrishabha Rasi(Taurus): Krittika 2,3,4; Rohini; Mrigasira 1 & 2:

June will continue to be a better period, financially. Heavy work will keep you busy and restless. You will carry work stress to home. You tend to react fast and strongly to friends and family views, which may bring a wide gap with elders in the family. This is a favorable month for politicians and professionals. You will expand your wardrobe and will purchase costly items for yourself. You will receive gifts as well. Some of you will join courses related to alternative medicine and natural healing. Investments will bring profits. Those that are unmarried will get good marriage proposals. Your child's progress will make you happy. Students will do well during the first half of the month. During the second half, your overconfidence and lethargic nature will produce negative effects that will be clear in any exam

results. You will receive good news from siblings. Business will continue to be good. Those in electrical, agriculture, electronic, and pharmacy business will do well. Headaches, high blood pressure, vision, and tooth ailments may cause an inconvenience. Diabetic and cardiac patients need to take extra care of their health.

Mithuna Rasi(Gemini): Mrigasira 3, 4; Arudra; Punarvasu 1,2 and 3

June is a financially prosperous period. At work, the second half of the month is far better than the first half for you. Those seeking to change jobs will secure one. Your advice will be sought by colleagues on financial matters. Some of you will successfully purchase or sell property. You will spend quite a bit of money on your child this month. Siblings may approach you for financial support. You need to keep your verbal and written words in check, as it may get out of hand and offend others. Those in armed forces and law enforcement will get to work on important projects. Students will do well in competitive exams during the third week of the month. Health requires utmost care. Low immunity, infections, and stomach ailments will cause severe inconvenience. Businessmen will be neutral. There may be a slight dip during the first half of the month later on from the third week, situations will improve. You will try to join a new business. This will give good profits in the long run. During the last week of the month, you may have to shoulder major family responsibility.

Karkataka Rasi(Cancer): Punarvasu 4; Pushya, Aslesha

June is a positive month at work and finances. Heavy work and higher responsibilities will keep you very busy. This is a favorable period for a job change. Those in defense, law and order, manufacturing, and IT will do well. This is a favorable month for both politicians and professionals. You will actively participate in religious activities. Artists will get ample recognition. You will receive good news from a sibling. Expenditure will increase during the second half of the month. You will donate for good causes. Students will secure good ranks in competitive exams. Those of you trying to reduce some weight will be successful. Business will be neutral. There may be administrative differences with partners. This is not a very favorable period to make any major decisions related to business. There may be differences and conflicts in your married life. Spouse health requires care. An acquaintance may lead to a love relationship for some. There may be a gap in communication between you and your child. Pain in the foot/leg and indigestion may cause severe inconvenience.

Simha Rasi (Leo): Makha, Purvaphalguni(pubba), Uttaraphalguni 1:

June will be a positive and gainful month. Politicians will gain the support of people for their ideas and endeavors. At work there will be support from higher-ups and

your suggestions will be appreciated by colleagues. This is a favorable period for entrepreneurs and professionals. Profits from investments will be there. The health of your child may be delicate. Business will be neutral. Avoid any differences with business partners as it may prove to be a costly risk. Those in the petroleum, metals, and leather business will get new clients. Students will get good ranks in competitive exams. Those in research and medical fields will do very well. Religious and spiritual activities will keep you busy during the first half of the month. Any pending legal matters will drag on for a long time. Avoid any serious discussions with your spouse's relatives. Indigestion/renal(anal fissures etc.) and allergies may cause severe inconvenience. Hospital visits may be present for seniors. Care is advised for pregnant ladies.

Kanya Rasi (Virgo): Uttaraphalguni 2, 3, 4; Hasta; Chitta 1,2:

June is a financially prosperous period. Those seeking to change jobs will get a good opportunity. A sudden increase in activity at work will be present in the third week of the month. A growth in responsibility and power will boost your spirits. This is a favorable period for professionals, politicians, and bureaucrats. Avoid any serious discussion with younger siblings. After the 15th of the month, any journey you take will be fruitful. Artists will get recognition. Students will do well in their academics as well in competitive exams. Some of you will get the opportunity for internships. Doctorate, human resources, and political science students will get good funding and scholarships. Those planning for a child will be blessed during the second half of the month. There may be conflicts in existing love relationships. Those married will have attitude differences during the second half of the month and this may cause domestic restlessness. Business will continue to be good. During the second half, administrative issues with partners may make you part ways. You will be spiritually bent during this month. Attending spiritual discourses will make you happy. You will get in touch with a childhood friend. Avoid spicy and oily food. Pain in the kneecap/legs and respiratory ailments will cause severe inconvenience.

Tula Rasi(Libra): Chitta 3,4, Swati; Vishaka 1,2 & 3:

June is a mixed period. Investments will give profits. June is a good month for your job. A favorable period for those in the Human resource, marketing, and medical field. Throughout the month your mood will be very volatile. You will be in a frame of mind not to take everything at its face value. Differences with siblings may bring down your spirits. The health of your father requires care during the first half of the month. It is better not to give any loans to friends, as there is a low chance that you will get your money back. There may be visa-related issues for some. Business will be good during the first half of the month, however, later on, there will be a dip. There will be a delay in meeting your client's

needs. Government policies also may show their negative impact on business, but gradually the situation will ease out. Communication gap with your child may be present. Students will feel lethargic and will procrastinate on their work. Urinary tract infections, high blood pressure, low back aches may cause severe inconvenience. Unmarried individuals will get good marriage proposals during the first half of the month. Differences with spouse side family members may cause severe domestic unhappiness.
